

Elia, Yehezel  
Elyaho, David

On 12/19/05 S/A Longo and Eis met with Jared Scharf, defense attorney for Yehezel Elia, Elia Yehezel, defendant and Cindy Dunn, AUSA. The meeting was requested by Jared Scharf for his client to provide information regarding a tax violation. AUSA Dunn requested that Elia provide his criminal responsibility regarding the tax evaded items prior to listening to Elia's information. During the meeting Elia admitted that he did not report all of his business income from his various businesses in violation of Title 26 USC, 7201 and Title 26 USC 7206(1). Elia also explained in detail, all of his current assets including rental buildings. After explaining how he did not file accurate business and personal returns, Elia provided the following information:

Elia and his brother, David Elyaho, own and operate a small costume jewelry store located in Cross County Shopping Center. Their store purchases its costume jewelry from a business located on Broadway between the 20's and 30's. No specific information was provided however it was all alledged that the store owner was not reporting all of his cash purchases over \$10,000, an 8300 Form violation. Elia stated that he was willing to go undercover and make purchases in cash over \$10,000 if needed, in exchange for a cooperation letter from the AUSA.

The information provided by Eila was not specific and did not include full names. S/A Longo asked when Elia last purchased over \$10,000 worth of jewelry from the vendor and he stated that he never has.

Prior to leaving the meeting Elia signed a Proffer agreement and a copy was retained by S/A Longo.

At the conclusion of the meeting the AUSA and the Agents agreed that the information provided was not considered significant to warrant an investigation for any tax or non tax violation.
